

WORTMANN - ARCHITECTS

ISSUE 2

Enjoy an unforgettable evening in our K+K rooftop terrace.

What about an exciting evening with live music and sea views? We know just the right place: the rooftop terrace of the K+K Hotel, located on Paseo Picasso in Barcelona. After the refurbishment works...

WA Hotels. A selection of our work.

Building a hotel means a great effort for the contracting party.

The first challenge for our team lies in capturing the energy of that initial stage and driving it forwards to boost creativity and efficiency.

Here at WA we create brand image, confer identities and anticipate our client's growth and development by taking care of each and every detail in the way.

Discover the new trends of the coming year.

A hotel is a mirror of the world. We live in contradictory times, and hotels have embraced that contradiction. These are the trends that will stay and gain strength in 2018.

In the following lines we will show you some important trends that are revolutionizing the usual format of hotels. Discover a whole new world of innovative and profitable applications in the following article.
